

Sub: Inter School Quiz Contest

S. B. Devi Charity Home takes the pleasure to invite you to participate in the Inter school Quiz Contest to be held on **Friday, 8th January 2010** from 11.00 am onwards at Sovabazar **Natmandir Hall**. Raja Naba Krishna Street, Kolkata – 700005.

As you know today S.B. Devi Charity Home is a popular name in the field of school health check-up programme. Our years of hard-work and endless efforts have brought us to this height. In addition we have been entrusted by the Sarbo Shiksha Mission (SSM) for Health Check-up of the School students of almost all circles within North Kolkata and a few circle within South Kolkata. We have actively taken part & provided training in the Primary Teachers Training Programme conducted by SSM. We have submitted a detail statistical report to the SSM authorities for their perusal and ready reference for the present picture of the school children's Health & Nutritional status in Kolkata.

The subject of the quiz is General Health, Hygiene, Nutrition, Sexually Transmitted Disease (STDs) and HIV/AIDS. You will have to select only 3 students from 2 different classes to represent your school. We would like you to select students from standard VIII & IX as our target group is adolescence. We think that the questions will be better understood and their answers will be more effective in the scoring. We request you to kindly encourage and send the students to participate enthusiastically, in order to find out their hidden excellences. Please send the names of the final participants by the 5th of January 2010.

All the participants are requested to register their names within 10.30a.m.
